## **Ivey in new role at AgHeritage Farm Credit Services**

Alexx Ivey of Hazen has moved into a new role with the Credit Department at AgHeritage Farm Credit Services.

Ivey is joining the Credit Department team as a Credit Officer, working out of the Stuttgart branch office. She had previously been serving as an Ag Lending Officer, a role she'd had since July 2022. She joined the AgHeritage Stuttgart branch in November 2020 as a Customer Specialist.

"Alexx has shown incredible growth since joining AgHeritage, and we are excited to have her transition to the Credit Department team," said AgHeritage Vice President of Credit Jason Hill. "Her agriculture and customer service experience helped her excel as an Ag Lending Officer, and we are confident that she will be equally if not more successful as a Credit Officer."

Ivey has a Bachelor of Science degree in Agricultural Business from Southern Arkansas University. Before joining AgHeritage she worked as a Soil Conservationist at Natural Resources Conservation Service.

AgHeritage Farm Credit Services is a financial cooperative with owned and managed assets of approximately \$2.46 billion as of December 31, 2023. The company provides credit and related services to approximately 6,400 farmers, ranchers, and producers or harvesters of aquatic products in 24 Arkansas counties. Branch offices are located in Batesville, Brinkley, Lonoke, McGehee, Newport, Pine Bluff, Pochahontas, Searcy and Stuttgart.
