## Notice of Significant or Material Event

November 7, 2024

Out of an abundance of caution, we are disclosing the unexpected passing of our beloved EVP & Chief Financial Officer, Ken Sumner.

Ken was assisted in his job by a talented support staff and the Executive Leadership Team. The Executive Leadership Team remains in place and is committed to replacing his position as soon as reasonably possible.

We do not anticipate any effect on AgHeritage's financial condition, results of operations, cost of funds, reliability of sources of funds, or performance, but as noted we are reporting out of an abundance of caution.

We express our sincere condolences to the Sumner family. We are grateful for Ken's remarkable and impactful life and his many contributions to AgHeritage.
